1. The Commission has established a new process for verifying whether all federal high-cost support will be used for its intended purpose, pursuant to 47 C.F.R § 54.314 and CC Docket No. 96-45 and whether all state high-cost support will be used for its intended purpose pursuant to Neb. Rev. Stat. § 86-324. See Application Nos. NUSF-25/NUSF-66, Progression Order #18 (entered May 15, 2007).

By June 1 of each year, each eligible telecommunications carrier and Nebraska eligible telecommunications carrier is required to file with the NTIPS Department an adequate description of how the high-cost funding support has been used and an adequate description of how high-cost support will be used during the next year. If an allocation of expenses is made for high-cost areas, then an explanation of the method used to determine the allocation must be included. Filings with the Commission were to include the following:
